A Chance to Experience Glamping at the Great Yorkshire Show!

It's time to see what the glamping revolution is all about at the Great Yorkshire Show which takes place on Tuesday 11th, Wednesday 12th and Thursday 13th July.

Wigwam Holidays®, which has helped spearhead the UK's glamping revolution for over 23 years, will have a top-of-the-range Running Water deluxe timber cabin on show during the spectacular three-day show at the Great Yorkshire Showground in Harrogate.

With a prime position in 7th Avenue, Wigwam Holidays® will offer visitors a rare opportunity to 'go for the glamp' and also get a chance to meet the owners of Yorkshire latest Wigwam® Holidays site, Sedgewell Barn Wigwams, located near Northallerton.

Charles Gulland, Director of Wigwam Holidays®, said: "As regular exhibitors of the show, we know how well organised it is, both for exhibitors and visitors.

"Wigwam Holidays® is a great 'fit' with the Great Yorkshire Show, at which we always receive the warm Yorkshire welcome."

Mr Gulland continued: "We now have four sites in Yorkshire alone, part of the nationwide network of over 75 sites that is growing year on year.

"Visitors will be able to see the quality of the workmanship with our cabins, which we make in Scotland."

“It’s a wonderful event that shows Yorkshire at it’s best. We are looking forward to a successful three days.
